DEAR, MORSHED

Based on an assessment of the labour market, Service Australia has issued a positive Labour Market Impact Assessment (LMIA), and has confirmed your offer(s) of employment to the foreign worker(s) identified in the attached Annex.

This positive opinion is based on the information and supporting documentation you provided in the context of your application. It is subject, notably, to your compliance with legal requirements related to the employment of the foreign worker

These requirements include, but are not limited to, all workers in Australia being

- * protected by relevant labour employment levies
- * entitled to work in a safe workplace where their health is protected; and
- * able to file a complaint with the federal provincial or territorial department for employment standards, if they are not being provided with the proper wages and working conditions,

Please be advised that should you wish to change any of the conditions noted on the attached annex. Service Australia (HRSDC) must be informed in writing immediately.

This positive LMIA, including the annex, must be submitted by the foreign worker to as part of each worker's Application to receive a work permit. This LMIA confirmation is only one of many requirements in issuing a work permit. It does not authorize the foreign worker(s) to enter, remain or work in Australia. That decision is the responsibility of . Also note that in addition to the LMIA confirmation, expects the worker(s) to submit a copy of the employment contract signed by you and the worker(s) prior to issuing the work permit. The conditions and benefits outlined in the employment contract must be consistent with the information in this LMIA confirmation (e.g. Wages, hours of work, etc.)

Please keep a copy of these documents for your records, and forward a copy to the prospective foreign worker(s). As well, kindly advise this Service Australia and each foreign national if you no longer require his/her services as a worker,

or if you need to cancel your job offer prior to the entry of the worker to Australia

*** Please note that pre-approval 14783 has now been completed.
